WORK EXPERIENCE

Lead Product Designer

METHOD (PREV. SKOOKUM)

NOV 2017 – PRESENT

Provides digital product design strategy, accessibility guidance, and consulting for businesses and organizations, integrating with in-house teams

Led design efforts for international banks, retail innovation projects, onboarding experiences, medical software, and B2B platforms

Helps construct, socialize, and maintain complex design systems

Offers an intentional and detailed approach to design, focusing on inclusion, sustainability, and the impacts of systems on people

Creative Director, Frontend Developer

ENCOMPASS ADVERTISING AGENCY

AUG 2013 – OCT 2017 / 4 YRS 3 MOS

Recipient of over 55 international awards designing and developing custom Joomla! / K2 website templates using HTML5, PHP and a custom LESS-based frontend framework I designed from the ground up

Provided creative direction and UX guidance on all projects and ensured all work met industry best practices

Managed email marketing campaigns through Publicaster, Maropost, and Constant Contact for clients sending up to 1.5 million emails annually

Lead Designer

SMITH GALLERY

MAY 2011 – MAY 2015 / 4 YRS 1 MO

Designed gallery publications and exhibition branding on tight deadlines, considering the needs and aesthetic senses of a wide gamut of unique clients

Junior Designer & Developer

FROGMAN INTERACTIVE

SEP 2012 – MAR 2013 / 7 MOS

Constructed rich media websites and kiosks with interactive maps, daily menus, and 360° tours while considering the needs of older demographics
